FREE CIRCUS TICKETS!!

Dear Parents,

Rosebank School has been contacted by Circus Starr and allocated **FREE tickets** for their variety circus show (all human) ~ with acrobatics, comedy, illusionists, fire-eaters and many more acts. The show lasts for 1½ hours in total, including the interval, and is taking place on Wed 13th May 2015.

Circus Starr is a Community Interest Company which obtains sponsorship and contributions from local businesses to provide children with opportunities they might otherwise not be able to experience.

We have the tickets in school and are offering them to parents on a first come, first served basis.
Each family can have as many as they like for parents and siblings of children at Rosebank – all free.
Children 3 years and under do not need a ticket.
Please note that if you require wheelchair space for any of your party, you need to call 01260 288 690 to reserve this 2 days prior to the show.
