

End of Year Achievement 2014-15

Year groups

Achievement across English, Maths and PSHCE

Year group	outstanding	good	satisfactory	number of pupils
1	66%	26%	8%	10
2	46%	54%	0%	5
3	74%	23%	3%	6
4	74%	22%	4%	3
5	71%	18%	11%	9
6	22%	58%	20%	8

Year 6 pupils were assessed using PIVATS in order to ensure that they continued with the National Curriculum pre-2014.

Years 1 to 5 have been assessed using Bsquared.

Bsquared assesses using the new national Curriculum (2014). It is not possible to assess progress in science over one year. Science progress has therefore not been included here.

Comparison of the progress made by pupils in each year group.

Progress made is compared with the CASPA expected progress for pupils of similar age, ability and learning needs.

CASPA only makes a comparison if it can make a reliable comparison. A result that is too far above or below the statistically reliable range for the selected need is referred to as out of range.

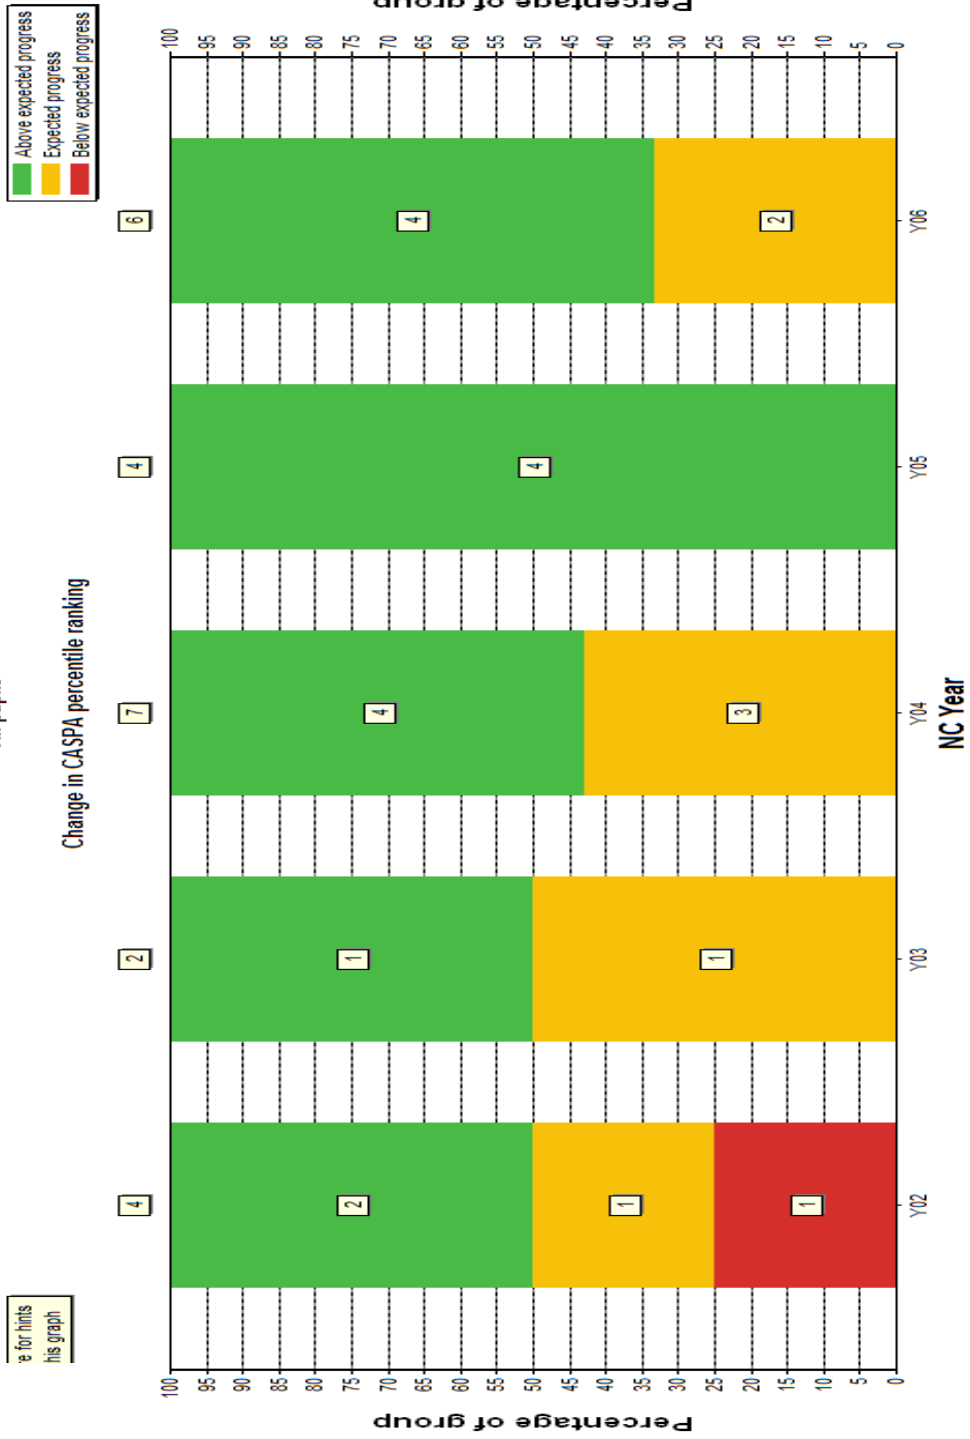

Comparison of progress vs expectations, Summer 2013 (Result) to Summer 2014 (Result)

Subject: Overall average

Basis need for comparison against expectations: Default
