Pupil Premium Policy

Overview

The Pupil Premium was introduced in April 2011, and paid by a specific grant based on school census figures for pupils.

Pupil Premium is calculated by the number of children who qualify for free school meals (FSM) at the school in addition to the number of looked after children, who attend the school, calculated using the Children Looked After data returns (SSDA903). A premium has also been introduced for children whose parents are currently serving in the armed forces. This premium is designed to address the emotional and social well-being of these pupils.

The Pupil Premium (PP) is additional to main school funding and it will be used by Rosebank to address any underlying inequalities between children eligible by ensuring that funding reaches the pupils who need it the most.

Intent

- The PP will be used to provide additional educational support to improve the progress and to raise the standard of achievement for these pupils.
- The funding will be used to diminish the difference between the achievement of these pupils and their peers.
- As far as its powers allow the school will use the additional funding to address any underlying inequalities between children eligible for pupil premium and other pupils.
- We will ensure that the additional funding reaches the pupils who need it most and that it makes a significant impact on their education and lives.

Implementation

- Pupil Premium will be clearly identifiable within the budget.
- The Headteacher, in consultation with the Governors and Senior Staff, will decide how the Pupil Premium is spent for the benefit of entitled pupils.
- The school will assess what additional provision should be made for the individual pupils.
- The school will be accountable for how it has used the additional funding to support the achievement of those pupils covered by the pupil premium and the headteacher will report to the Governing Body and parents on how effective the intervention has been in achieving its aims.
- We will seek to further develop strategies and interventions which can improve the progress and attainment of these pupils.
- We will track the impact of strategies put into place through the funding to ensure that we can show the value that has been added to the education of the entitled children.
- We will monitor, evaluate and review the success of the impact of the Pupil Premium funding.

Impact

Through evidence-based use of this additional funding we are fully committed to ensuring that the individual needs of each entitled child are met. As a result of the additional funding, these children will make better progress and achieve higher standards that would not have been likely without it.

We will ensure that the pupils are treated equally and as favourably as other pupils and that the additional funding is used well to address the challenges they face.
