

PE and Sports Grant Allocation- April 2019- March 2020.

Income	
Grant Apr 19 - Aug 19	6,858.00
Grant Sept 19 - Mar 20	9,595.83
Brought forward from 2018/19 Financial Year outturn	17,045.00
Total	33,498.83

The government is providing additional funding to improve the provision of physical education (PE) and sport for primary aged pupils. This is to “encourage the development of a healthy, active lifestyle.” It is important that this funding supports “additional and sustainable improvements to the provision of PE.”

As a primary school we will:

- Develop and add to the PE and sport activities that our school already offers.
- Build capacity and capability within the school to ensure the improvements made now will benefit pupils joining the school in future years.

These are the key areas we should expect to see an improvement across:

- Increasing the engagement of all pupils in regular physical activity and working towards helping our children choose a healthier lifestyle.
- That the profile of PE and Sport is raised across the school as a tool for a whole-school improvement.
- To see increased confidence, knowledge and skills of all staff in teaching PE and sport in school.
- To increase participation in competitive sport with both mainstream and other special needs schools.
- For our children to experience a wider range of sports and activities within school and the wider community.

Item/Project	Cost	Objectives to addressing barriers to learning	Impact/Outcomes	Sustainable Impact
Vale Royal Sports Partnership	£1577.40	To increase participation in competitive sport with both mainstream and other special needs schools. For our children to experience a wider range of sports and activities within school and the wider community.	On-going- staff, pupils and parents are kept up to date about local sports events and competitions available. Some staff have received Physical Education training on how to include Maths and English in a PE lesson.	Some staff are now beginning to incorporate Maths and English throughout their PE lessons. Children are attending competitions and festivals in their local area competing against both mainstream and special needs schools.
School Sports Services	£631.20	For our children to experience a wider range of sports and activities within school and the wider community.	On-going- staff, pupils and parents are kept up to date about sports events and competitions available in the area through our School Sports Service. This enables us to access sport and physical activity in the nearby community.	Pupils now have more opportunities to take part in school competitions and events in our local area.

Warrington Wolves Coaching & Fitness sessions	£1595.00	For our children to experience a wider range of sports and activities within school and the wider community.	On-going- pupils are enthusiastic about learning rugby skills and enjoy taking part in them.	Children are encouraged to work as part of a team and push their own physical boundaries. It also helps improve their hand-eye co-ordination along with their fitness levels.
Lunchtime Multi Skills sessions	£693.00	For our children to experience a wider range of sports and activities within school and the wider community.	On-going- pupils enjoy these multi skills sessions focussing on team work, communication, fitness and agility skills.	Pupils are able to improve their physical skills and perform to the best of their ability at various sporting events and competitions.
Youth Kicks	£825.00	To increase the profile of PE across the school and enhance staff knowledge and understanding of how to create opportunities for PE and sport.	This will be a continuing focus- Sports Coaches to model best practice during lunch times to support some staff in teaching PE.	Pupils are independently choosing to take part in these coaching sessions during their lunch times. They practise their team work and communication skills.
Mello Yoga	£4010.00	For our children to experience a wider range of sports and activities within school and the wider community.	On-going- pupils look forward to their yoga sessions and they focus on their communication, fine motor and flexibility skills.	In Yoga, pupils are having the opportunity to engage in a range of sports within school. They are also learning and progressing on their

				communication, listening, sensory processing and developing their motor skills.
Kidz-Fit	£380.00	To aim to educate our children about the importance of a healthy lifestyle, physical fitness and personal well-being.	All pupils were engaged in this session and learnt a lot about their personal well-being along with how they can live a healthy lifestyle.	Some pupils are now independently choosing a healthier snack in school and know more about physical fitness and how this affects their everyday life.
Archery equipment	£299.50	To try and increase participation with the less active children at Rosebank School. To experience a wider range of sports.	On-going- pupils are enthusiastic about learning archery skills and enjoy taking part in a new sport.	Pupils are now engaging in a wider range of sports within school and are learning and progressing on their hand eye co-ordination skills.
Petty Pool Teambuilding for students	£2250.00	For our children to experience a wider range of sports and activities within school and the wider community.	This gives our pupils the opportunity to experience a wide range of outdoor activities that are available at Petty Pool along with improving their team work skills.	Pupils tried out a range of activities with many being the first time they had ever tried certain activities. Allowed the pupils to work together and communicate in teams with confidence-

				this had a very positive impact in many of our students.
JCA Adventure Residential (deposit)	£2376.00	For our children to experience a wider range of sports and activities within school and the wider community.	Unfortunately due to the COVID-19 our students were unable to attend this residential. It is something we hope to attend in the future with Rosebank pupils.	N/a
Additional cost of Horse Riding	£203.68	To try and increase participation with the less active children at Rosebank School. To experience a wider range of sports.	Horse riding allows us to give our students the opportunity to experience a wide range of activities available to them.	Horse riding helps to improve our pupils' physical development especially their balance and motor co-ordination. Alongside this we have seen an improvement in their muscular core strength.
Football Kit	£500.00	To increase participation in competitive sport with both mainstream and other special needs schools.	On-going- Pupils who are involved in various sporting events and competitions feel proud to wear and represent Rosebank.	Students feel a sense of pride in representing the school and trying their best at various events.

On-going Total Spend	£15,340.78

Swimming:

At Rosebank School, all of our children both KS1 and KS2 get the opportunity to take part in swimming throughout the year at some stage. Any children we feel are struggling to reach the expected “ swim 25m on front and back, jump in and tread water” by the end of KS2 we provide catch up swimming lessons in the final term to try to get them to this level before they move onto secondary school.

Due to the Coronavirus Pandemic, our Year 6 pupils were unable to complete their swimming lessons this year, so the results are lower than expected. Out of our 13 current Year 6 pupils, 9 can “swim 25m on their front and back, jump in and tread water.”

Currently we have 4 pupils who have not yet reached this level in swimming.
