

Monday 10th May 2021

Dear Parents,

Just a quick reminder that Parents Evening is taking place next week. Letters went out a little while ago, if you haven't replied already please do so as soon as possible. Appointment times will be sent out later this week.

As part of our topic of 'All Around the World', don't forget to book our special Chinese themed lunch, which is on Thursday next week. We will have lots of fortune cookies and prawn crackers for the children to try. Linked to this, Elm and Oak class have been learning about Japanese artists and making their own Japanese prints, perfect with all the Cherry Blossom in our playground.

Down in the Blue Bubble, Saplings have been learning to use the Regulation Stations this week. This is linked to our learning about the Zones of Regulation where the children begin to understand about their emotions linking them to different colours. You can learn more about this in the attached leaflet.

Have you checked out our Facebook page? We put lots of photos on last week showing the children using the new play equipment, litter picking and my personal favourite, doing maths by making

smoothies. Now that's my kind of Maths! Hopefully in the future we can include some photos from school trips too.

Each week we include our 'Let's talk' question. The children discuss this in class during the week, it's the perfect opportunity for everyone to share their thoughts. We encourage you to take part at home too. This week's question is: What makes you happy?

Best Wishes

Rosemary
