Dear Parents

What a week it has been!

A big thank you for helping to keep us all safe by following the Government rules.

It has been lovely to see so many children in school. Despite the difficulties and uncertainties of the week there have been some definite highlights. As I walk around school it has been lovely to see so many children engaging in learning and interacting with their peers. It has been fantastic to see pupils currently at home joining our class virtual meetings and engaging with the rest of their classmates and staff.

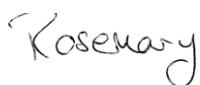

The children thoroughly enjoyed playing outside in the snow we had last week. This then transferred to classroom learning where the children talked enthusiastically together, and completed some great class work.

Providing learning in school, at the same time as setting and supporting work remotely is no mean task. This week I have again be reminded how fortunate we are to have such a hard-working and dedicated staff team. If you require any help regarding home learning, please email your child's class teacher.

Once again thank you for all sticking to the lockdown rules and keeping our school community safe by not mixing with people outside your household or support bubble.

I look forward to seeing all of the children, whether remotely or in the classroom this week!

Warm Wishes

Rosemary Charlton
