Dear Parents

Last week was a busy week for us at Rosebank. We received exciting news from CWAC that front line staff at special schools were able to receive a Covid19 vaccination. The majority of our staff have now been vaccinated and we are all very pleased that our school community are continuing to stick to current government guidance issued.

Over the weekend we have been made aware of a website called "Omegle." It is a chat site that is proving popular with primary age children. The site selects people at random and the age of people accessing this site can vary massively. As children's safety is our top priority, we are asking that you all please keep vigilant to the websites that your children are accessing at home.

At the end of last week we had such extreme weather, but we all managed to keep safe, although many had difficult journeys to and from school. The children thoroughly enjoyed playing in the snow, as did the staff!

Once again we awoke to snow today. This always provides excitement for our children and as you know, whenever possible we try to go outside to play, and snow is an ideal opportunity for this. However, please can you make sure your child has a coat and a change of clothes in school for occasions such as these.

Phonics was the highlight in the Blue Bubble's learning last week. In Saplings, last week's letter was 'a'. The children had fun learning the sound and recognising the letter. This week they are learning all about 't'. Holly class are buzzing with their phonics whilst learning about double 'zz'.

At the other end of the school in Pink Bubble, Oak class have been learning all about seals. They were keen to tell me about the life, habitats and adaptations of seals, and I'm sure are keen to share their new found knowledge with you at home too.

We are looking forward to another exciting week!

Best Wishes

Rosemary
