

Tuesday 4th May 2021

Dear Parents,

I hope you all enjoyed your extended weekend. We were hoping for some lovely sunshine but the Great British weather unfortunately had other ideas.

Our classes are going to be having lots of fun this week. Our Saplings class are focusing on rhyming words, using the books 'Elephant Wellyphant' and 'Don't put your finger in the jelly Nelly' by Nick Sharratt as inspiration.

There are some lovely Spring activities taking place. Holly class are planting beans and Chestnut Class are planting cress. We are all very excited to see the seeds turn into yummy plants in the coming weeks, maybe we can try them at snack time!

In Elm and Oak class we have been thinking about money while working out the difference between things we want and things we need.

All parents should have received letters last week about Parents Evening, which is taking place during the week commencing 17th May 2021. Please let us know if you haven't received this.

We have received notification from our catering supplier that the charges for school meals will be increasing. As of 1st June 2021, school meals will be charged at £2.60 per day (£13.00 per week).

Reception, Years 1 & 2 meals will still remain funded by the government so it is only children in Years 3-6 that will be affected. Children eligible for free school meals will also remain unaffected.

In other exciting news, Dianne is back in our kitchen which means our much loved food is returning. Dianne will be supporting children and families to eat a wider range of food. If you would like more information or advice regarding your child's diet please feel free to contact Dianne. Also, be on the lookout for our themed lunch days later this term.

Finally, this week's 'Let's talk' question is: What's your favourite computer game?

Best Wishes

Rosemary
