

Tuesday 22nd June 2021

Dear Parents,

This Friday is our Football themed lunch to celebrate the Euros. Children who are having a school dinner on this day can wear their football kit, so please don't forget to book.

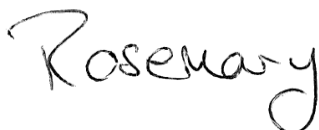

There is a lot of interesting scientific learning going on this week. Chestnut Class have been making and launching their own rockets; with mixed success! Elm Class have been continuing with their climate change topic by learning about the Greenhouse Effect and Oak Class have been finding out all about pollination by pretending to be bees.

Sycamore Class have been learning about David and Goliath and were creating some lovely big footprints with red paint when I visited them earlier today.

Meanwhile our Holly Class are learning about measuring and different sizes and our Saplings are going on a Bear Hunt this week. How exciting!

This week's 'Let's Talk' question is: "Can you say something nice to someone else?"

Best Wishes

Rosemary Charlton
Headteacher
