

Monday 5<sup>th</sup> July 2021

Dear Parents,

A huge thank you to all our outstanding sponsors who have helped raise funds for our Sensory Garden. We hope to give you the final figure raised in next week's newsletter, so don't forget to send in any outstanding sponsor money. Everyone really enjoyed this year's Sports Day, it was fantastic to see so many smiling faces.

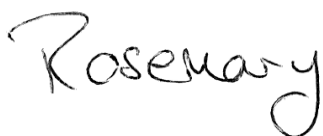

A lot of our children are learning about the lifecycle of plants. Sapling Class are finding out how to grow plants whilst reading 'Jasper and the Beanstalk', while Elm and Oak Class are taking cuttings and discovering how plants reproduce.

Holly Class are learning self-care skills this week while Sycamore and Chestnut Class are learning about space and reading 'Man in the Moon'. They are also organising a space themed party, which I am sure will be 'out of this world'!

Don't forget to pre-book our special Build-a-Burger bar for Wednesday 21<sup>st</sup> July. It will be a lovely treat for the children before the holidays.

This week's 'Let's Talk' question is: "What is your favourite thing to do in school?"

Best Wishes

Rosemary Charlton  
Headteacher
