

Monday 12th July 2021

Dear Parents,

We are very pleased to announce that our Sponsored Decathlon raised a huge £2,452.11 towards our new Sensory Garden. Thank you so much to everyone who donated and to all our children who worked so hard on Sports Day. It's now time to turn dreams into reality and start work on our brand new garden. With this in mind, we are looking for a small army of volunteers to help dismantle our current sensory area. The whole family are welcome to come along on Sunday 1st August to help Lizzie from 12pm – 2pm, please be aware that no other school staff will be on-site.

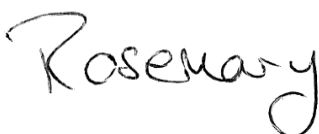

Several parents have been asking about their child's report and next year's Classes. This information will come home with your child on Friday.

Our new menus for September are attached, along with an allergy information form which needs to be completed for EVERY child. Please return this as soon as possible, to enable our school kitchen to update their records. Also, please don't forget to pre-book our special Build-a-Burger bar for Wednesday 21st July.

We have a lovely light Oak piano, which we would love to give to a good home. If you, any family or friends would like to take this off our hands, please get in touch.

Finally, this week's 'Let's Talk' question is: "What is your favourite thing to do at home?"

Best Wishes

Rosemary Charlton
Headteacher
