And finally....

I have waited until today to send this letter in order to be able to say that due to everyone's vigilance and support we have not had to close a single bubble throughout the Covid pandemic and have had no confirmed cases of pupils with Covid. Thank you all so very much for your support in keeping our community safe. Particularly, I would like to thank all the parents who have had to collect their children and take them for a PCR test, sometimes on several occasions. I sincerely hope that September brings a more 'normal' existence.

We are very aware that school has been closed to parents and carers this year. I hope that next year we will be able to return to being the warm welcoming school that we strive to be. With this in mind we are planning our first parents' event on the afternoon of Friday September 17th. Details of this will be sent out at the beginning of next term.

As usual, at the end of the school year we say goodbye to our year 6 pupils. We would like to wish them all the very best as they move on to their new schools. It has been lovely to be a part of each child's journey and to watch them grow during their time at Rosebank. Good luck: Charlie, Cathrine, James, Jamie, Louey, Nikola, and Tyler; we look forward to hearing great things from your new schools.

We also say goodbye to a number of staff this year: Emma Rowntree, Joel Wright and Morag Kalitski. They have been part of the Rosebank team for a number of years and we wish them well in their new ventures.

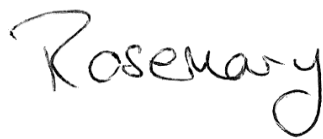

Lizzie has sent out a programme of summer meet-ups. Do come along – particularly for the Rosebank garden clear out on Sunday 1st August.

If you or wider family have time at any other point to help with the sensory garden, please email me at head@rosebank.cheshire.sch.uk.

If you need to contact school in any way over the summer, please use the email address above.

I hope you have a happy and safe summer. Let's hope the good weather continues.

Best Wishes
